COLLEGE LIST

This worksheet is to help you think through an academically balanced college list according to the college's admissions rate, your grade point average (GPA) and, depending on the program, your SAT/ACT scores. The goal is to apply to a range of good fit schools. Search the school's admissions information to assess your chances of being accepted into the college. Then list all colleges you are interested in applying to below. If you plan to apply to an opportunity program (like EOP/HEOP, etc.) connected to a school, make a note of that too.
