

**Are you in a dispute about your child's
special education services?**

**Does your child attend school in District
24 (Queens) or District 10 (Bronx)?**

IEP FACILITATION IS AVAILABLE!

- **District 24 and District 10 have been chosen by the NY State Education Department to pilot the use of IEP Facilitation.**
- **A facilitated IEP meeting is the same as any other IEP meeting, except that a neutral, trained facilitator joins the meeting to assist in developing an IEP for a student with a disability.**
- **IEP Facilitation can be used to resolve disputes that can occur at IEP meetings, thereby reducing the need for due process (mediation and impartial hearings).**
- **Can be requested for Committee on Special Education (CSE) meetings.**
- **IEP Facilitators are certified by NYSED and trained in IEP development, special education law, regulation, and conflict resolution. The facilitator is not a decision-maker, is impartial, and does not represent the parent, school district, or State.**
